The Bloomingdales News

October 2020

Children are harbingers of change. Allow your child to think differently, let him have out of the box ideas, let him imagine, let him play. Through play comes the innovative and creative thoughts. If he can imagine, he can create, he will then speak about it and write it too. All he needs is for you is to let him try.

Songs:

When I need to travel

When I need to travel,
There's lots of ways to go.
I can travel fast, Or I can
travel slow.

When I need to travel,
To get from here to there,
There's lots of ways to travel,
On land, by sea or air.

Driving down the road
In a bus or in a car.
Riding in a train
If I need to go quite far.
Sailing in a ship
Across the ocean blue.
Flying in an aeroplane,
The fastest thing to do.

My neighbourhood

Oh
I'm looking round my
neighbourhood, And
what do I see? Some
houses and cars And
kids like me.

There are stores with thing to
buy And they really look good. I
see people going shopping in my
neighbourhood.

There's a school and a tree,
I can see the Post Office
And the Pharmacy.
Oh boy! I'm in luck!
I can even see a shiny red fire truck.

Oh I'm looking round
my neighbourhood, And
what do I see? Some
houses and cars, And
kids like me.
I see people and their pets
And it makes me feel
good, To know that I'm
part Of my neighbourhood.
